- ✨ 2.9 billion total visits on Instagram every month
- ✨ 500 million accounts use Instagram Stories daily
- ✨ 58% of users are more interested in a brand after seeing it in a Story
- ✨ Adult Instagram users are on the app nearly 30 minutes per day
- ✨ 60% of users are ages 18 to 34

Why use AR Filters for campaigning?

- ✨ Increase brand awareness & visibility
- 🎁 See filters as gifts for your audience (not ads)
- 👏 Connect and interact with your audience
- 👏 Get reach through native sharing features by Instagram
- 🍿 AR Filters are ideal companions for ad campaigns & events
- 🔥 Filters are a new Social Media Engagement Tool

Reach & Engagement

✨ Filters have high organic usage and re-shareability rates

🎁 Especially with give-away-campaigns

👩 If influencers share filters

✨ Filters have high visibility — Stories, Effect Gallery on Instagram

📢 Every effect has a potential chance for virality

Accessing Filters

- 🔗 Linking Effects in Instagram Stories
